

Mental illness and addiction present unique challenges for young people who are still growing up. We offer a wide range of age-appropriate inpatient and residential programs for children ages 5 to 18, including a hospital setting for acute illness, residential care, and outpatient therapy— all delivered with hope, clinical excellence, and support for the whole family. Our on-campus, state-approved independent school coordinates with regional schools and allows young people to keep up with studies as they receive care. In 2019, we served 726 children through these programs.

The Brattleboro Retreat is a not-for-profit mental health and addiction treatment center offering inpatient, partial hospital, residential, and community-based outpatient services to clients of all ages. Our expert caregivers provide hope and healing in the safety and privacy of our restorative Vermont setting.

SPONSORSHIP OPPORTUNITIES

Safe, responsible, and... still so much fun!

Register

When you register your sponsorship you'll receive player vouchers. Bring them to the Brattleboro Country Club on the day of your tee time. To register, visit brattlebororetreat.org/golf or call 802-258-4318. You can choose to play in one of two competitions: "4 Player Scramble," or "1 Best Ball of 2 Players."

Schedule

Contact the Brattleboro Country Club (802-257-7380) to reserve your date and tee time in August or Sept., 2020. For the "Scramble" format, all golfers must play at the same time. For the "1 Best Ball of 2 Players" format, you can play at the same or separate times as your teammate. The pro shop will keep and compare your scorecards to get the best score for your team on each hole.

Teammates

We'll be happy to pair you with a teammate for either format, and we'll do our best to accommodate your request. All players will have separate carts to ensure social distancing.

Tee it up for kids as a sponsor!

The Brattleboro Retreat has helped people feel better and live better since 1834. That includes the many children and adolescents we serve. Now you can support our work with kids *and* ensure a great day of golf when you become a sponsor.

All proceeds benefit Children's Services. Donor support makes possible recreational and educational activities including therapeutic farm connections, circus arts, dance classes, music lessons, inspirational speakers, and field trips, along with supplies and equipment for visual arts, music, quilting, exercise incentives, holiday celebrations, reading, and hiking during all four seasons.

- Best gross score: each teammate in each competition wins \$50 gift certificates to the pro shop.
